**ORDER REGARDING RETRIAL
SCHEDULE**

11
12 On November 21, 2017, the parties held a further pre-trial conference to schedule a retrial
13 regarding U.S. Patent Nos. 6,154,844 and 8,677,494. The schedule is summarized below.

14 The Court will call a jury panel on January 3, 2018 to provide potential jurors with
15 hardship and voir dire questionnaires. The parties indicated that they will waive appearance on
16 that day. However, the parties shall arrange to copy the questionnaires on January 3, 2018. By
17 January 5, 2018, the parties shall inform the Court regarding which jurors they jointly agree to
18 excuse for cause. The Court will also advise counsel of the hardship excuses it will approve and
19 allow objections. The parties shall deliver to the Court copies of the jury questionnaires and a new
20 set of jury instructions and verdict form by December 21, 2017.

21 On January 8, 2018, voir dire will be conducted. Once the jury is selected, the parties will
22 offer opening statements limited to forty-five (45) minutes per side. The Court expects that the
23 first witness will testify on the afternoon of January 8, 2018. Closing arguments will be limited to
24 one (1) hour per side. The parties shall have up to ten (10) hours per side during trial.
